SCHOOL NOTES

This morning Prof. R. D. Jenkins received notice from Robersonville High School that Miss Martha Delgray and Lurline Ross were to represent the negative in a debate at Scotland Neck which will be held March 29th. Williamston High School represents the affirmative and the question is "Resolved That Congress should enact a law requiring to settle disputes by compulsory arbitration of interstate commerce."

Scotland Neck High School representatives are away from home on this date the affirmative of this question being represented at Robersonville against Williamston and the negative being at Williamston against Robersonville High School.

Misses Hattie Green and Inez Manning of Robersonville will meet Scotland Neck at Williamston.

So far Williamston debaters have not been heard from.

DAWSON MASS MEETING FOR LARGER AND BETTER SCHOOL

The people of Dawson's community earnestly request every white voter between Hill's Cross Roads and Whitaker's chapel and between Crowell's and Mullins to meet them at Dawson's Cross Roads on Wednesday afternoon, March 27, at three o'clock, at which time we expect Prof. Akers and Rev. C. H. Johnson with us to give us a talk on enlarging Dawson's school.

Already considerable work has been done along this line and a neat sum raised which has greatly enthused us. Remember, every white voter, whether he is for or against the extension of the school make an effort to come to Dawson's Wednesday afternoon, March 27, promptly at three o'clock.
